**Sales Comment**

September 2025 same-store sales including online sales decreased by 1.0 % year on year while total sales including online sales increased by 0.1 %.  
Same-store sales contracted slightly year on year in September, due to a high comparison base from the previous year and persistently warm weather throughout the month, which led to sluggish sales of Fall/Winter items.

**Other Information**

We opened two regional flagship stores in September: the UNIQLO Meir store in Antwerp, Belgium and the UNIQLO Changsha Heiwado store in Changsha City, Hunan Province, Mainland China.
