Openings: 1 UNIQLO store
Closures: 2 UNIQLO stores

Sales Comment

June 2026 same-store sales including online sales decreased by 14.1 % year on year while total sales including online sales decreased by 13.7 %.
Same-store sales decreased year on year in June as cooler temperatures and unseasonable weather conditions, including typhoons, dampened demand for Summer items, particularly in the latter half of the month.
